Complète la grille.

JUPE - LUGE - ÉPONGE - NUAGE - JOURNAL - JONQUILLE - GENOU - GIRAFE - JOUE - BOUGIE

The crossword puzzle grid consists of the following structure of empty cells:

- Row 1: 5 cells (starts with a cloud illustration and arrow pointing right).
- Row 2: 7 cells (starts with a jonquille illustration and arrow pointing right).
- Row 3: 7 cells (starts with a journal illustration and arrow pointing right).
- Row 4: 5 cells (starts with an éponge illustration and arrow pointing right).
- Row 5: 5 cells (starts with a girafe illustration and arrow pointing right).
- Row 6: 5 cells (starts with a jupe illustration and arrow pointing right).
- Row 7: 5 cells (starts with a bougie illustration and arrow pointing right).
- Row 8: 5 cells (starts with a luge illustration and arrow pointing right).
- Row 9: 5 cells (starts with a nuage illustration and arrow pointing right).

Vertical words are indicated by arrows pointing down from the top of the grid:

- Column 4: 5 cells (starts with a girafe illustration and arrow pointing down).
- Column 5: 5 cells (starts with a joue illustration and arrow pointing down).
- Column 6: 5 cells (starts with a genou illustration and arrow pointing down).
- Column 7: 5 cells (starts with a bougie illustration and arrow pointing down).
